

# sommelier's selection

In our search to bring to you some of the world's most interesting wines, these in particular have stood out.

## **Rosehall Run JCR Vineyard Chardonnay, Prince Edward County, Ontario 2012**

This wine is a wonderful expression of winemaker Dan Sullivan's interpretation of Prince Edward County terroir. The 16-month fermentation and maturation in French oak bestow a richness and body which, when coupled with the fresh citrus, green apple and P.E.C. minerality, find a surprising balance and elegance. Expect a touch of smoke on the nose and a long-lasting finish for a remarkably complex and approachable wine.

# coravin pours

Preserved using argon gas and served at cellar temperature.

## **Bachelder Lowrey Vineyard Pinot Noir, St. David's Bench, Ontario 2012**

Winemaker Thomas Bachelder focuses exclusively on Pinot Noir and Chardonnay from vineyards in Burgundy, Oregon and Niagara, with the goal of making wines that express the unique characteristics of each terroir.

## **Beringer Quantum, Napa Valley, California 2012**

Cabernet Sauvignon from Beringer's high altitude Howell Mountain vineyards dominate this cuvéé from a textbook Napa Valley vintage.

glass	6oz	48.

## **Fontanafredda Vigna La Rosa Barolo, Piedmont, Italy 1996**

The 1996 vintage of this estate vineyard Barolo is still flexing its muscles. Notes of cherry cola, dried rose and the forest floor dominate this impressive bottle.
