# OLIVER & BONACINI ARTISAN

OUR OWN OFFERING OF UNIQUE  
HAND-CRAFTED BREADS AND PASTRIES

We believe bread is an integral part of a great dining experience. As testament to our commitment, we've just built our own state-of-the-art bakery at the Toronto Board of Trade and hired one of Canada's best and most innovative artisan bakers, David Wilson.

O&B breads and pastries are prepared in-house in the tradition of the classic boulangeries, using only the highest quality, sustainable ingredients. One of the most distinctive components of our bread making is the culture, a natural fermentation which contains the juice of local Riesling grapes. This allows the bread to rise slowly over the course of a day and a half, gradually developing its depth of flavour, texture and character.

The breads and pastries are baked in early morning and delivered to our restaurants and event spaces just before lunch. Unique signature breads have been created for each of our restaurants, complementing individual concepts and styles of cuisine.

## SOMA chocolatemaker

Oliver & Bonacini is proudly affiliated with SOMA chocolatemaker. Artisan chocolate maker David Castellani started out with O&B as the Pastry Chef of Canoe, eventually being appointed Corporate Pastry Chef of all O&B restaurants. David's exquisite, hand crafted chocolates are considered among the very finest in North America.
